Cable Jointing Units

UETTDRCJ01B	4
Lay electrical cables	4
UETTDRCJ02B	13
Install and maintain de-energised LV underground paper insulated cables	13
UETTDRCJ03B	23
Install and maintain de-energised HV underground paper insulated cables	23
UETTDRCJ04B	33
Joint and maintain energised LV underground paper insulated cables	33
UETTDRCJ05B	43
Perform straight through HV paper insulated to polymeric transition joints	43
UETTDRCJ06B	52
Install and maintain de-energised LV underground polymeric cables	52
UETTDRCJ07B	61
Install and maintain de-energised HV underground polymeric cables	61
UETTDRCJ08B	70
Joint and maintain energised LV underground polymeric cables	70
UETTDRCJ09B	80
Install oil and gas filled specialised underground cables	80
UETTDRCJ10B	89
Maintain oil and gas filled specialised underground cables	89
UETTDRCJ11B	98
Install and maintain polymeric specialised underground cables	98
UETTDRCJ12B	108
Install and maintain oil & gas pressure systems for specialised underground cables	108
UETTDRCJ13B	118
Install and maintain network infrastructure LV underground cables	118
UETTDRCJ14B	128
Install and maintain network infrastructure HV underground cables	128
